Tour Description

Discover our island's history, it's people, and the wildlife and vegetation. Enjoy touring our island and its beautiful landscapes and see the best of St Kitts, with stops for some great photo ops!

Our first major stop, Romney Manor, owned by Capt. Samuel Jefferson, the great-great-great-grandfather of Thomas Jefferson, the third President of the United States. Romney Manor is 25 acres of lush, tropical gardens, now home to Caribelle Batik.

Our second stop is Brimstone Hill Fortress National Park, a UNESCO World Heritage Site, 800 ft. above sea level, with stunning views of mountains, valleys, and neighboring islands.

Our tour now turns eastward toward our third destination; Timothy Hill, the gateway to the Southeast Peninsula. It provides a panoramic view where you can see both the Atlantic and the Caribbean running parallel to each other. These two bodies of water is divided by a narrow strip of land called the South East Peninsular, it's drop-dead beautiful. We can also see our sister island Nevis in the distance & a majestic background to the Frigate Bay valley. Prepare yourself to be mesmerized.
